BIOELEMENTS CUSTOM BLEND FACIAL

Personalized facial, each step is a fusion of science, natural botanicals, aromatherapist oils and luxurious techniques customized with clinical strength ingredients uniquely designed to deliver results. Begins with an individualized SkinReading® to determine your concerns and goals, followed by invigorating cleansing, exfoliation and skin sedation, a custom blended aromatherapeutic facial massage, plus a power treatment and mask targeted to your concerns. (treatment time: 30, 60 min)

CALMING FACIAL

Designed for skin that's stressed, red or delicate. Clean, clinical ingredients triple-target sensitivities, as active strengtheners nourish skin's barrier - all enveloped within soothing massage techniques. The ultimate corrective facial for chronic sensitivities. (treatment time: 60 min)

DEPIGMENTING AND BRIGHTENING FACIAL

High-tech facial to even out skin tone and fade dark spots. Begins with a thorough skin cleansing followed by an exfoliation treatment custom blended just for you.

Next, a clinical-strength LightPlex GigaWatt Dark Spot Corrector is penetrated deep into skin where dark spots are formed. To finish, you'll experience an activated charcoal mask to penetrate the active ingredients. It's the perfect treatment to help you attain even-toned, brighter skin. (treatment time: 60 min)

FIRM AND LIFT FACIAL

A one-of-a-kind treatment designed to lift and sculpt the look of ageing skin. A consultation will evaluate your most urgent concerns, followed by deep cleansing and exfoliation to prepare your skin for clinical ingredients. We'll intensify the treatment with an application of our powerfully active Bioelements Firmamint mask, designed to lift, tighten and firm the feel of skin. You'll see and feel the renewing benefits immediately. (treatment time: 60 min)

BIOELEMENTS TEEN FACIAL

Take your mind off the daily pressures of school. This facial is designed specifically for teen skin - to target stress-related breakouts, dark circles, and dullness. We'll help reset your skin with consciously clean, cruelty-free formulas. You'll experience a deep cleansing and exfoliation followed by aromatherapy massage - plus, we'll gently extract unwanted blemishes. You'll see how the right formulas can help you embrace your natural skin and see long term, healthy results. (treatment time: 60 min)

X08 COSMECEUTICAL STEM CELL MASK

This sheet mask delivers what you are looking for, 24 Nano Gold, growth factors, CoQ10, hydraulic acid, vitamins A&E and a host of other goodies plump, hydrate, smooth and brighten your skin. This is the facial you want for that special event be it a wedding, anniversary, or graduation. Done up to a week prior this facial will prime your skin to look its very best for a natural look or with makeup application. (treatment time: 90 min) \$135 and up

Dermaplaning: Dermaplaning is a technique when a precision instrument is guided across your skin with feather-like strokes softly removing dead surface cells and as an added benefit the removal of facial vellus hair leaving your skin feeling refreshed, alive and glowing. (\$20 and up)

Rezenerate: Living at the intersection of beauty and science the Rezenerate skin conditioning system uses nanotechnology that assists in the delivery of serums and products providing a light exfoliation, plumping and improved skin tone. (\$100 and up)

Microcurrent: Microcurrent is a low level current that mirrors the body's own natural current. A very comfortable sub-sensory treatment that results in improved skin texture. A non-invasive modality that re-educates the facial muscles, toning, tightening, and lifting the whole facial area giving a lifted appearance. Perfect for that "big" event coming up. Can be done as a single treatment or in a series depending on what is discussed between you and your skin care expert. (\$110 and up)

Electrolysis: 60 min - \$68 45 min - \$55 30 min - \$43 15 min - \$30

Body Waxing: Price range from \$30-\$95 depending on the area worked on and the time needed for the service. Please ask.
